Andrew Jones

Full stack developer

[MrAndrewJones.co.uk](https://mrandrewjones.co.uk)

I'm a professional web developer, my web site **IS** my CV: https://mrandrewjones.co.uk.

My web site is better at representing me than any PDF document.

It's always up to date and it is printer friendly.

My phone number and email address are listed on my web site as well.
